AmeriCorps Members
To the friends and supporters of Rebuilding Together South Sound:

First, thank you all for a wonderful year as Board President. It has been an honor and a privilege to serve with Rebuilding Together South Sound, as we continue to preserve safe and affordable housing in our community by helping transform the homes and lives of low-income homeowners.

In the past year, we had several major accomplishments, including completing 56 significant home repair projects, with more than 750 volunteers contributing 5,966 hours of time for a market value of $400,000 in repair work. Our cumulative impact over the past 15 years has been rehabilitating 718 homes and community centers, involving 8,600 volunteers working more than 90,000 hours for more than $6.5 million dollars in improvements for our community. We could not have done this work without our volunteers, board members, our staff, and of course our countless donors and supporters. Thank you all for tireless efforts and passionate hearts.

We also grew in our impact by adding a brand-new program – Tacoma Home Repair. This program will be run in partnership with the City of Tacoma, offering minor and moderate home repairs under $5,000 for City of Tacoma residents. We are excited to expand our operations in the city and better serve our neighbors in need.

On behalf of the entire board and staff, thank you to our board members who are completing their terms this year: Alicia Lawver, Kim Taylor, and Nick Warden. We wish you all the very best in your future projects! Likewise, we’re excited to welcome the newest round of board members: Amanda DeShazo with Pierce County Labor Agency, Jenae Charboneau with Hawkins-Poe Realty and Abode Interior Design, and Sarah Sweet with Tacoma Power. We know your dedication and expertise will bring great energy to Rebuilding Together South Sound in the coming years! We also want to thank our steadfast AmeriCorps members who completed their service terms with us: Lauren Eklund, Katie Dowd, Kaitlin Kalwei, Emily Peel, and Zoey Swanson, and welcome back Katie Dowd for a second term along with Trina Harding. We literally couldn’t do our work without you!

Thank you all again for a wonderful year. Safe and healthy housing is the foundation, framework, and focus of all our work. Recognizing the link between our homes and our health is vital to improve the quality, consistency, and impact of our repairs. This focus allows us to better meet our clients’ critical housing needs as we move into our next year of impact. I’m excited to see how far Rebuilding Together South Sound will come in the next 12 months!

Debra Fayne
Board President
Our **MISSION** is to bring volunteers and communities together to improve the homes and lives of low-income homeowners.

Our **VISION** is a safe and healthy home for every person.

Regardless of financial ability, every person deserves a safe and healthy home. At Rebuilding Together South Sound, we work to preserve the existing affordable housing stock of our community and keep the fabric of our local neighborhoods intact. Providing free home repairs and modifications for low-income homeowners who are elderly, disabled, or families living with children, improves lives, keeps residents in their own homes longer, and advances our mission.

According to the Tacoma-Lakewood Consortium Consolidated Plan for 2015-2019: low-income homeowners represent 37% of homeowners in the City of Tacoma. Of very low-income homeowners (those living at or below 50% of Area Median Income), 54% had significant home repair needs, such as lack of complete plumbing or kitchen facilities. Of extremely low-income homeowners (living below 30% of AMI), 65% had significant home repair needs.

100% of the clients we serve are below 50% of AMI.
Happy, healthy homeowners contribute to neighborhood maintenance and safety.

Homeowners invest time and energy in their local community and get more involved if they remain in their homes.

Safety repairs and accessibility modifications allow homeowners to stay in their own homes longer.

Revitalize Communities

Keep Homeowners Safe

Preserve Affordable Housing
Programs & Partnerships

Rebuilding Together South Sound provides free home repairs and modifications for low-income homeowners. We serve residents living at or below 50% of Area Median Income in Pierce County, Federal Way, and Auburn. Our programs focus on a) critical safety needs, such as electrical and plumbing repairs, upgrades to heating systems or removal of unsafe structures such as porches or decks, and b) disability modification projects, including building ramps or making accessibility modifications within the home, such as installing grab bars, handrails, or wheel-in showers. Services are completely free for clients.

We currently have three programs—Year Round Services, National Rebuilding Day, and Neighborhood Makeover Week, with a fourth program—Tacoma Home Repair coming in Fall 2016!

Year Round Services

Our Year Round Services Program is ongoing throughout the year and is in place to respond to emergency repair or modification needs. In particular, we focus on modifying homes to emphasize fall prevention.

Falls are one of the leading causes of injury across the nation and locally. Falls cause more hospitalizations than car accidents in Washington state each year.

Neighborhood Makeover Week

Neighborhood Makeover Week seeks to empower residents to improve their community by showing they care about their neighborhood, their homes, and each other.

This year’s collaboration with Associated Ministries brought together 184 volunteers from the City of Tacoma and the community to perform more than $30,000 worth of major repair work at 17 homes in the Lincoln District. Next year, this program will be renamed Strengthening Neighborhoods, to better reflect our commitment to serving as a community revitalization partner.
National Rebuilding Day

Rebuilding Day is our largest annual event, bringing together corporate sponsors, community volunteers and homeowners in need to make repairs which keep the homeowners safe and independent in their own homes. On the last Saturday in April, 25 homes are rehabilitated in our community through the generosity of hard working volunteers, sponsors, and donations of materials and services. We are able to translate each dollar raised into a minimum of $4 worth of work for our recipients. More than 150 Rebuilding Together affiliates across the nation participate each year, bringing thousands of volunteers out to complete upwards of 4,000 home repair projects in a single day.
WHO WE SERVE

Our Average Homeowner Demographics

- Average Age of our Homeowners: 65
- Average Years our Clients have lived in their home: 19
- Average Homeowner Monthly Income: $1,275

Committing to Create a Safe and Healthy Home for Every Person Means

- 78% of Homeowners Served were living with a disability
- 62% of Homeowners Served were seniors 62 or older
- 56 Homes Modified & Repaired
- 94 Residents Served

Rebuilding Together South Sound
WHO WE ARE

Tracking Homeowner Feedback

The following results came from a 6-Month Feedback Survey mailed out to recently completed projects in Fall of 2015

* Were Satisfied With the Quality of Work Computed
* Feel They Can Stay in Their Home Longer Now
* Had A Positive Experience With Volunteers

100% OF HOMEOWNERS SURVEYED*:

* Feel Safer Since Repairs
* Are Able To Maintain Their Homes More Easily After Repairs
* Feel They Have Better Knowledge of Available Community Resources
* Felt that We Accomplished What We Committed To

COMMITTING TO CREATE A SAFE AND HEALTHY HOME FOR EVERY PERSON MEANS VALUING HOMEOWNER FEEDBACK

*6 OUT OF 19 SURVEYS MAILED OUT WERE RETURNED
“I am still taking in the profound change that has come to my life because of Rebuilding Day. Your mission statement doesn’t completely capture the values it embodies. You have enabled my soul to heal and my heart to soar. I am so incredibly proud to have been chosen to receive this extraordinary gift. I am so proud of my home and the people it represents.”
- Rea, Rebuilding Day Homeowner 2016

“From the deepest of my heart, I so appreciate all the hard work and compassion that you put into this home! Our home is now a lovely Rebuilding Together, Lane Powell, and Umpqua Bank family home! You have all been so respectful and friendly, just like true family!”
- Lori, Rebuilding Day Homeowner 2016

REBUILDING DAY VOLUNTEERS
YEAR END AWARD RECIPIENTS

House Captain — Scot Savary, ProBuild
Volunteer Coordinator — Evan Boulanger, Patriot Fire Protection
Rookie — Amanda DeShazo, Pierce County Labor Agency
Volunteer — Nick Warden
Sustained Service — Erika Tucci, Tacoma Public Utilities
Sponsor — BECU
This year, our Denim & Diamonds Dinner Auction in February and Builders & Brewers Event in October helped raise awareness about how people throughout the South Sound can get more involved with Rebuilding Together. We raised $60,000 at our Dinner Auction alone, 100% of which goes toward helping creating a safe and healthy home for every person!
